Many people enter into the VERVE Plan with a "Test Drive" Order of \$65 or \$130, this is a sound decision since this order will hold your spot in the Compensation Plan, allow you to experience the insane VERVE product and learn more about the incredible VERVE opportunity! If that is YOU...congratulations!

At this point in your VERVE experience, you are eligible to earn Fast Start Bonuses and an instant Sponsor bonus! The Fast Start bonus is based on your own personal enrolling efforts.

Fast Start Bonus is subject to Compression. If the Enroller is inactive (no \$60 order and autoship) then the first qualified upline Enroller will receive the Fast Start Bonus.

**Time to Think REALLY BIG!**

After a week or two in the program, it is time to consider taking advantage of the power of residual income. This means not only earning on your own enrolling efforts **but also on the efforts of the people in your upline and downline**. That’s right...in a binary, there is *spillover* which means that your upline could actually help to build a leg for you. To take advantage of this, you want to qualify for Cycle Bonuses, Enroller Matching Bonuses and the Global Bonus Pools! This requires a minimum of \$120 QV monthly. (We highly recommend that your autoship order consist of a Couple of Cases of **VERVE!**) \*\*Also you can determine what your MAX earnings will be within 12 weeks of enrolling.
